N. Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to your Care Team at 1-866-783-1444 (TTY: 711).

Understanding the Benefits

- The *Evidence of Coverage (EOC)* provides a complete list of all coverages and services. It is important to review plan coverage costs, and benefits before you enroll. Visit vnshealthplans.org/2025-ec or call 1-866-783-1444 (TTY: 711) to view a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider and Pharmacy Directory)
- Effect on Current Coverage.** Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.

 If you have questions, please call us at 1-866-783-1444 (TTY: 711), 7 days a week, 8 am – 8 pm (Oct. – Mar.) and weekdays, 8 am – 8 pm (Apr.– Sept.). The call is free. For more information, visit vnshealthplans.org
